Fees and Remuneration

Loans

One Partner Limited may charge an Introducer Fee of up to \$995 and our lenders charge an Establishment Fee which can vary from \$80 up to \$450 depending on the Lender. These fees are added on to the loan amount you are borrowing.

One Partner may also be remunerated in either of these ways depending on the lender:

1. Commission: We may receive a commission from the lender when a loan is completed. The commission amount is a percentage of the loan amount and will vary depending on the lender.
2. Interest Income: A portion of the interest payable by you to the lender based on the amount financed and the term of the loan, paid to us at settlement.

Insurance Products

If we help you obtain Credit or Asset Insurance from Provident Insurance, in conjunction with a vehicle or personal loan, we may receive a commission from that insurance provider.

Conflicts of Interest; Commissions and Incentives

One Partner Limited receives income from lenders. This income varies depending on the lender.

From time to time, product providers may also reward us for the overall business we provide to them. They may give us tickets to sports events, hampers, or other incentives. We maintain registers of conflicts of interests, and the gifts and incentives we receive.

We take any perceived or real conflicts of interest very seriously and have a dedicated policy for dealing with such issues whereby we avoid, disclose and/or manage any conflicts so that our client's interests are placed first and foremost.

All our financial advisers undergo annual training about how to manage conflicts of interest. We undertake a compliance audit, and a review of our compliance programme annually.
